

DRAFT Minutes
Sewage Handling and Disposal Advisory Committee Meeting
September 14, 2007

The Sewage Handling and Disposal Advisory Committee met on Friday, September 14, 2007, at the James Madison Building, Fifth Floor Conference Room in Richmond.

The following committee members were present: Tom Basham, Chairman, Don Alexander, Marcia Degen, Richard Michniak (for John Harper), Robert Lee, Mike Lynn,, Joel Pinnix, Pam Pruett, Cal Sawyer, Bill Timmins and Robert Wadsworth. Donna Tiller was also present as Secretary to the Committee.

The following visitors were present: David Tiller and Allen Knapp, OEHS; Chris Beatley, Delmarva Septic; Mary Clark, Premier Tech; Tim Smith, Onsite Solutions; and Bob Mayer, American Manufacturing.

The meeting was called to order at 10:10 am.

The committee approved minutes from the following meetings: February 23, March 23, May 18 and the General Discussion meeting of July 13, all in 2007.

It was announced that the November 9, 2007, meeting is canceled so the next scheduled meetings will be October 19 and December 14, 2007. Tom Basham also asked the members if they can not attend a scheduled meeting, to please notify him, Don Alexander or Donna Tiller.

Mary Clark gave a presentation on Ecoflo Data for review and recommendation. There was discussion and questions and answers from the committee. Comments from the group on the report: *Field Performance Assessment of Premier Tech Ecoflo Wastewater Treatment Systems in Virginia*, dated 5/17/2007. After review and comments on the inconsistencies, motion from Joel Pennix, they should look into incorrect tables and edit material and the committee would then re-visit at the next meeting. Motion was seconded by Marcia Degan. All in favor, no opposed.

Bennette Burks then gave a presentation on Quanics-Biocoir media filter for experimental review. Motion made by Bob Lee, to recommend approving the experimental protocol provided there is influent sampling, Pam Pruett seconded. All in favor, no opposed.

Allen Knapp with OEHS gave an update on the Sewage Regulations.

Don Alexander updated the group on the Aquarobic suspension saying that the Consent Order was signed and he has requested a list of systems. Tom Basham is representing Aquarobic in the evaluating of the systems in.

Meeting adjourned at 12.30 pm.
